

**Golden Lane Action Day**  
**Saturday 29 March**

# **On Saturday 29 March, residents of Golden Lane Estate met to audit external parts of the estate.**

## **The task**

- to report what was discovered;
- to collate information about the estate to feed into the new repairs company;
- to make a statement about the condition of the estate to assist the work of the new team of Common Councillors; and
- to look at areas for improvement for greening the estate and encouraging repairs and recycling.

## **The process**

- Select an area of interest or concern
- Take pictures and upload to the laptop in the community centre
- Note on post-it notes on one of the maps in the community centre

## **Categories**

1. Broken windows
2. Light fittings
3. Paving
4. Paintwork
5. Walls and ceilings
6. Places that could be greener
7. Places for repair and recycling
8. Places that could be used differently/better

## **Report**

This report includes key images and the interactive map provides detailed comments
